

POPULARITY CONTESTS

are for
High Schoolers

... not Adults

— the “**POPULARITY**” of it rigged
by the Professional Popularizers
at Propaganda Central

— the “**CONTEST**” of it rigged
(when necessary)
a’ la Florida in
2000

My voting in their Republocrat-rigged elections
cannot possibly be called “patriotic”
when voting in rigged elections isn’t even moral.
